

1 You will receive an invitation by email with a link to attend a recording session remotely

2 Make sure you have a quality USB microphone if you haven't got one skip to step 3

Voxiferi Remote Recording

3 We recommend a quality USB microphone with headphone monitoring capability, NOT ear buds or headphones with inline mic or mic boom see page 2

6 Follow the link, relax, ask any questions now, and get ready to record your session

5 On the day join the session at the allotted time making sure you are using Google Chrome browser to do so if you have not got it, install it at your first opportunity

4 If new, practice using it via Teams or recording yourself, plugging headphones in to listen to your output
